Safety

Protruding stakes may lead to a claim against you for personal injury. Boats must be secured via two side stakes each at least 0.8 metres long hammered completely below ground with only rope tails protruding; craft with masts stepped should also have bows secured.

To reduce the risk of fire in dry months and keep the club tidy, it is your duty to keep the grass cut short in your compound area.

Boat Trailers

Road trailers are not allowed to be kept at the club, unless they are under your dinghy.

Those not renewing their membership.

If you do not renew your membership by the 31st March, you must remove your dinghy from the Club premises. The club reserves the right to sell and remove dinghies and trailers where membership has lapsed.
