LIMITATION OF CLUBS LIABILITIES

Members of the club and their guests or visitors, may use the Club premises and other facilities of the Club, entirely at their own risk and by implication accept the conditions below. Before inviting any guest or visitors into the Club's premises, members should draw their attention to these conditions.

General Conditions

- i) The Club will not accept any liability for any damage to or loss of property belonging to members, guests or visitors.
- ii) The club will not accept any liability for personal injury arising out of the use of the premises and any other facilities of the Club, or out of participation in any sailing event organised by the Club, to the maximum extent permitted by law.
- iii) Sailing activities (applicable to racing or casual sailing).
Sailors are entirely responsible for their own safety, whether afloat or on shore, and nothing reduces this responsibility. It is for sailors to decide if their boat is fit to sail in the conditions in which it will find itself. By launching sailors confirm that the boat is fit for those conditions and that they are competent to compete and sail in them. Nothing done by the organisers can reduce the responsibility of the owner and/or sailors, nor will it make the organisers responsible for any loss or damage, death or personnel injury, however it may have occurred, as a result of the boat taking part in the sailing. The organisers encompass everyone helping to run the activity. Patrol boats will be arranged by the club during organised activities according to the circumstances, and every effort will be made to provide advice and assist in

During the club’s programmed sailing including Tuesday evenings

Casual sailing is permitted, provided the red flag is not flying, and permission to sail is received from the Officer of the Day (OOD).

The O.O.D. will issue instructions on the area to be sailed in, dependent on the patrol boat crew’s need to monitor simultaneously, casual sailing and racing, and the safe separation of the two areas.

Those sailing casually must keep clear and not impede craft which are racing.

Casual sailing outside programmed racing/sailing times

This is permitted only in daylight hours, and members taking part must appoint a responsible adult to be in charge of the session, able to deal competently with safety and security matters.

The person in charge must receive permission for the session from a committee member, and ensure:
