By launching competitors confirm the boat is fit for those conditions and that they are competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the owners and/or competitors, nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The

organisers encompass everyone helping to run the race and the event, including the organising authority, the race committee, the race officers, patrol boat crews and beachmasters. The provision of patrol boats does not relieve owners and competitors of their responsibilities.

Note Unfortunately the Eglwys Nynydd Reservoir has become infected with a type of freshwater shrimp - *Dikerogammarus villosus*. This is harmless to humans but has an adverse effect on other life in fresh or brackish water. To prevent transfer to other bodies of water, it will be necessary for all boats and equipment to be hosed before leaving the site.
